APPEAR IN 'GREAT ZIEGFELD'

Since the memorable "Thin Man," William Powell and Myrna Loy have been called the most perfect "married couple" on the screen. In "The Great Ziegfeld," which opens at the Sequoia Theatre Sunday, they are once again united as husband and wife, Powell playing the role of Florenz Ziegfeld, and Miss Loy portraying his wife, Billie Burke.

Argo Foresees Enrollment Of 1600 Before End of Year

Monday meant the beginning of another school year for 1277 boys and girls who filed through the doors of Sequoia Union High School to establish a record attendance for an opening day.

This number surpasses last year's first-day by 102 students. According to Clarence Argo, principal, at least 150 more pupils are expected to register before the first week is over and another 100 may be found enrolled before Christmas vacation.

"An enrollment of over 1600 students is not too much to expect before the next school year is over," stated Argo who averred that this increase had not been totally unexpected and that plans had been made to accommodate the larger student body.

Another long-standing record went into discard when no less than 102 students from outside this district applied for entrance in the local secondary school. These 102 students will all probably be duly enrolled within the next three days.

Three new courses have been added to the institution's curricula. Personal typing and shorthand, especially instituted for private use, elementary science, and sheet metal classes are expected to be met with enthusiasm by the ever-growing student body.

Third Judge May Bar Self

With two superior court judges having disqualified themselves after protests by the Ocean Shore Railroad, possibility was seen today that still a third judge would bar himself from hearing the coastside right-of-way suit.

This possibility was indicated with filing here Monday of Supreme Court Clerk B. Grant Taylor's letter to County Clerk Elmore B. Hinman stating that Clarence W. Morris, state department of public works attorney, objected to Judge J. J. Trabucco of Mariposa county hearing the case because the judge granted a change of venue from the San Mateo county court to Alameda.

Judges Aylett Cotton and Maxwell McNutt of the county court disqualified themselves from hearing the suit over value of the Edgemar Thornton strip of land which the railroad claims has value over $5,000,000 while the state puts its worth at approximately $6,000. Grant indicated that Morris' protest might cause Judge Trabucco to disqualify himself without further hearing on the venue matter.

Prints Settle Girl's Identity

DALY CITY, Sept. 1—Fingerprints on file at the San Francisco Police Department had today identified the "mystery" pedestrian-auto accident victim, believed to have been Mrs. Jessie May Peterson of San Pedro, as Audrey Dorothy Newell, 32, a woman who has gone under many aliases.

Deputy Coroner Louella Pepper said that the definite identification showed that the young woman, killed when she was struck down here August 23 by the car of Richard Bauer of San Francisco, had been arrested 18 times since 1927, for the most part on charges of intoxication and disturbing the peace.

Records showed that her mother, Mrs. Lilly Newell, lives at 1331 Haskell street, Berkeley.

Richard Fuehrel of San Francisco had identified the body last week as Mrs. Peterson, reported missing in the South. Her brother, Bud Allen of San Francisco, visited the Lasswell mortuary and denied the dead woman was his sister.

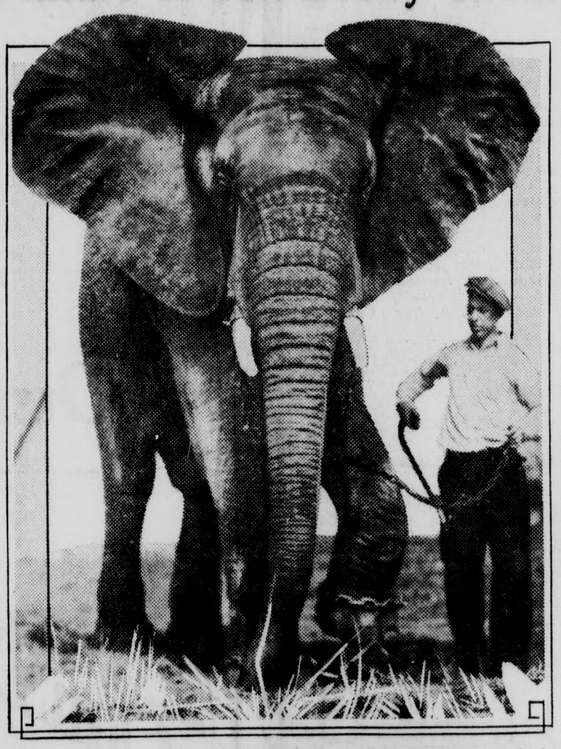
Jumbo, Huge African Elephant, Feature of Cole-Beatty Circus



The largest African elephant in America will make his appearance in Palo Alto on September 9 as one of the outstanding menagerie features of the Cole Bros.-Clyde Beatty circus. This huge beast is known as "Jumbo the 2nd" and takes his name from the original Jumbo, who was killed 50 years ago in St. Thomas, Ont. The first Jumbo met his fate when he attempted to rescue a small elephant from the path of an oncoming locomotive.

Jumbo the 2nd is one of the nicest elephants to ever troupe with a circus. He has a special box-stall in a side-door Pullman and seems to get a great "kick" out of trouping. At first he would not eat peanuts, but now they seem to be one of his favorite foods. He is also very fond of chewing tobacco and ice cream.

Jumbo will soon be 13 years old. He is still a baby, according to elephant standards. Already he is over 9 feet tall and weighs around 8,000 pounds. He will continue to grow until he attains the age of 25 years, when it is expected he will exceed the height of the original Jumbo, which was said to be 11 feet, 2 inches. During the past year Jumbo the 2nd has added 1,000 pounds to his frame and also six inches in height.

Jumbo differs greatly from the Asiatic species. He has a slanting forehead and is built on the streamline idea. He has four toes on the rear feet and three toes on the front feet, whereas the Asiatic elephants have five toes on the hind feet and four toes on the front. Only the male African elephant has tusks, whereas both the male and female Indian elephants are so endowed.

Jumbo gets along famously with his Indian cousins as long as they leave him alone. However, he seems to enjoy the companionship of "Bama," a huge Indian elephant, who is old enough to be his grandmother. Edward Allen, master elephant trainer, and Jack Smith are the only keepers that look after Jumbo's welfare. They have been with him constantly since he was acquired by the Cole Bros-Clyde Beatty circus from the Carl Hagenbeck zoo in Germany.

If you want to see Jumbo, you'll have to visit the circus. Being somewhat of a prima donna he does not appear in the long two-mile street parade which leaves the circus grounds each day at 11 a. m.

Word of the final location of the branch bank, which is believed seeking an Upper Broadway site, is awaited from Harris T. Kirk, vice president in San Francisco.

Poole, Thompson File Campaign Affidavits

Campaign expense affidavits of two more supervisorial candidates were on file today in superior court.

One listed Supervisor John Poole's primary election expenditures as $329.75, of which $175 was disbursed by E. E. Hartsough, local realtor. The other listed expenses of Dr. C. V. Thompson as $316, all of which was his own money.

Poole, who will meet John W. Morey in the November runoff for fourth district supervisor, unless the incumbent should gain election in the primaries through count of the absentee ballots, detailed $291.68 as cost of advertising and $20 as traveling expenses. Thompson listed his advertising expenditures as $307.94. Several days ago Supervisor Fred Beer filed an affidavit saying his campaign costs

BIG 4-DAY EVENT WILL OFFER NEW SUGGESTIONS FOR LOCAL HOUSEWIVES

Many Special Prizes for Visitors to School Will Be Distributed Free By Merchants Participating in Kitchen Class

WHAT: Big Tribune Free Cooking School.

WHEN: September 8 to 11.

HOURS: 2 to 4 p.m. daily.

WHERE: Mt. Carmel Parochial School.

Plans are well under way for the Happy Kitchen cooking school to be held next Tuesday to Friday, September 8 to 11, from 2 to 4 p.m., at the Mt. Carmel Parochial School.

It is expected that the forthcoming event will be one of the finest and most successful cooking schools ever held in Redwood City, for elaborate preparations are being made for a most instructive and entertaining three days.

Miss Jane Kruse, who will conduct the programs, is a widely recognized authority in her chosen work, that of home economics, and her years of study and research, as well as wide practical experience, make her admirably fitted to present programs of real value and inspiration to home makers of Redwood City.

LOW TEMPERATURE COOKING

Among the many interesting features of the demonstrations will be the discussion of the numerous fine points of the new method of low temperature cookery for meats, vegetables, and other foods.

After years of testing, and trying every possible temperature, authorities have determined that meats and other foods, when cooked at a low temperature, are much superior in flavor and texture.

That it is more economical to cook at lower temperatures is readily understandable, due to the amount of fuel saved.

Miss Kruse will give complete information on the methods for preparing the various kinds of foods, according to the new methods, in a manner that will assure the fullest flavor, most attractive appearance—and that will be simplest and most economical. Women will go home from the programs, with many worth while suggestions and ideas which they will be able to put into practice in preparing meals for their own families.

Not to be forgotten are the many attractive and valuable gifts, which will be presented to fortunate women at the conclusion of each session. Through the generosity of nearly every local merchant, a large number of splendid gifts will be given away, in order to acquaint those present at the school with the fine lines of merchandise now available to home makers.

Goodyear Radio Program Brings Digest Results

With a long record of pioneer developments in the tire industry, the Goodyear Tire and Rubber Company has pioneered in another field by bringing to a politically-conscious nation the results of the Literary Digest presidential poll via a thrice-weekly broadcast, over station KGO at 6:45 p.m., Walter Lynch, local Goodyear dealer stated today.

"Just as Goodyear has made it a traditional policy to keep several paces ahead of the needs of the motorists through constant research and laboratory work, so it is mirroring the nation's interest in the current presidential campaign by making these returns available almost as quickly as they are compiled," he stated.

"Naturally we are not in politics, and take no sides in the contest. But at a time like this, when the approaching election is a topic of conversation on all sides, it is apparent that the organization which brings to the public spot news reports of the trend of political thinking in the country is performing a public service."

Dietrich Meyer, Early Woodside Resident, Dies

Woodside has lost another of its pioneer residents, with the passing of Dietrich H. Meyer early Saturday morning.

More than 60 years ago Mr. Meyer came to Woodside and was employed by the Sciekert Ranch where he engaged in wine making. Later on the same ranch he developed the olive industry, being the first man to ship olive oil from these parts.

Mr. Meyer was born in Bremen, Germany, on January 27, 1857, and migrated to America in his early 'teens, living for the first two years at Hayward, Calif., before settling in this community when the lumber mills were still flourishing.

Thirty-seven years ago he was married to Miss Ella Bogle of Woodside and over 30 years ago the home was established on the Canada road, where the family has resided. Three children survive, two sons, Albert D. and Harry E., both druggists in Los Banos, and a daughter, Mrs. Evelyn M. Fate. There is also one grandchild, Miss Eleanor F. Meyer of Los Banos.

Two brothers also mourn the passing of the deceased: John Meyer of Redwood City and Henry Meyer of Minnesota. Another brother, the late Fred Meyer, passed away in Woodside in

Last April Mr. Meyer became an honorary member of the Woodside Redmen's Lodge having joined the lodge 50 years ago in Redwood City.

"Now, Children--

What Makes This Town So Famous?

—Yes, it's Millbrae Dairy—established nearly 75 years ago at the request of Californians who demanded clean, pure milk handled under sanitary conditions.

"Milk from Millbrae Dairy wins the favor of discriminating people today because of its wholesome, 'farm-fresh' taste—it is **not** shipped from distant points, but comes to you only a few hours after milking — direct from Millbrae's world-famous herds.

"Try Millbrae Milk yourself—or tasty Millbrae Butter, Cottage Cheese or Ice Cream—Millbrae Dairy is locally owned and operated by 125 regular employees who live and spend their salaries (more than $100,000 annually) on the Peninsula. The Dairy distributes Millbrae Milk and Cream **exclusively** to Peninsula residents."

Palo Alto Rites Held for Former Local Resident

Funeral services were held in Palo Alto on Monday for Mrs. August Awbrey, 35, former resident of Redwood City, who died Wednesday in Portland, Ore. The Rev. Paul H. D. Lang, pastor of Trinity English Luthern Church, was to officiate at the rites at the Tinney mortuary. Burial was to take place at Alta Mesa Cemetery.

Mrs. Awbrey made her home in Redwood City until last fall. She is survived here by her mother, Mrs. Eva Adams, and a brother, Rudolph Adams. Others left to mourn her, besides her husband, Tom Awbrey, are children, Joan and Evelyn Plecque of Portland; a sister, Mrs. Fred Kruse of Palo Alto; and another brother, Fred Adams of San Mateo.

Mrs. Awbrey, a former telephone operator in Redwood City, was a member of the Bonita Parlor No. 10 of the Native Daughters of the Golden West.

TO BUILD LARGE HOME IN ATHERTON

Mr. and Mrs. Vincent de Arillaga, who are now occupying the David Rorick place in Atherton, are building a home on a site they have acquired on Ralston road and Stockbridge avenue. The house will be of the French type.

Menu Flashes by Joan Andrews

A fig for your breakfast, madame. These fine Indian summer mornings let your table wear, if not a fig leaf, a bowl of figs. Peeled, sliced, and sprinkled with powdered sugar. Then, to make the picture perfect, put a pitcher of thick, golden cream on the table. A perfect summer and fall breakfast consists of a big bowl of figs and cream, and some fluffy hot biscuits, complete with butter.

The secret of success in carrying out any of these suggestions lies in choosing your cream. If you specify Golden State Cream, these breakfasts are going to be good. The smooth, fresh richness and delicate flavor of Golden State Cream make all summer fruits taste even better.
